SPECIAL SESSION ON

Balancing Innovation and Ethic: Artificial Intelligence in Sustainable Development Across Industries

SESSION ORGANIZERS:

Prof. Naren J, Assistant Professor, Alliance University, Bangalore,
India, naren.jeeva3@gmail.com

Dr. D. Sumathi, Associate Professor, Alliance University, Bangalore, India.
d.sumathiphd@gmail.com

EDITORIAL BOARD: (Optional)

[Name, University or Organization, Country, e-mail]

SESSION DESCRIPTION:

The conference theme "Balancing Innovation and Ethics: Artificial Intelligence in Sustainable Development Across Industries" explores the critical intersection of advanced AI technologies and ethical practices aimed at fostering sustainable development. As industries such as healthcare, education, finance, and agriculture increasingly adopt AI solutions, it becomes essential to ensure that these innovations not only drive efficiency and growth but also adhere to ethical standards that promote social equity and environmental sustainability. This conference will delve into the challenges and opportunities presented by AI, discussing best practices for integrating ethical considerations into technological advancements. Through collaborative dialogue among experts, policymakers, and industry leaders, we aim to identify strategies that harness the potential of AI while safeguarding human rights and contributing to sustainable development goals.

RECOMMENDED TOPICS:

Topics to be discussed in this special session include (but are not limited to) the following:

- Measuring the Impact of AI on Sustainable Development Goals (SDGs)
- AI for Social Good: Case Studies of Socially Responsible Innovations
- Ethical Challenges in AI Implementation
- Financial Technologies and Ethical AI
- Transforming Healthcare with Ethical AI
- AI and Environmental Sustainability
- Balancing Innovation with Ethical Responsibility in Education
- Navigating Data Privacy in AI Applications
- Ethical AI guidelines for Policies and Regulations

SUBMISSION PROCEDURE:

Researchers and practitioners are invited to submit papers for this special theme session on **Balancing Innovation and Ethic: Artificial Intelligence in Sustainable Development Across Industries on or before [30th November 2024]**. All submissions must be original and may not be under review by another publication. INTERESTED AUTHORS SHOULD CONSULT THE CONFERENCE'S GUIDELINES FOR MANUSCRIPT SUBMISSIONS at https://icicc-conf.com/paper_submission. All submitted papers will be reviewed on a double-blind, peer review basis.

NOTE: While submitting paper in this special session, please specify **Balancing Innovation and Ethic: Artificial Intelligence in Sustainable Development Across Industries** at the top (above paper title) of the first page of your paper.
