INTERNATIONAL CONFERENCE ON INNOVATIVE
COMPUTING AND COMMUNICATION

Springer

ICICC-2025 8th International Conference on Innovative Computing and Communication

ORGANISED BY: SHAHEED SUKHDEV COLLEGE OF BUSINESS STUDIES, UNIVERSITY
OF DELHI, NEW DELHI IN ASSOCIATION WITH NATIONAL INSTITUTE OF
TECHNOLOGY PATNA & UNIVERSITY OF VALLADOLID SPAIN

On
14-15 FEBRUARY 2025.

***** CALL FOR PAPERS *****

SPECIAL SESSION ON

Multifaceted Dimensions of Generative Artificial Intelligence in Transforming today's World

SESSION ORGANIZERS:

[Prof. Prabhjot Kaur, Professor, MSIT, GGSIP University, INDIA, prabhjot.kaur@msit.in
Dr. Anju Bala, Associate Professor, Thapar University, INDIA, anjubala@thapar.edu
Dr. Gurleen Kaur, Professor, Sheridan College, CANADA, gu.kaur@georgianatilac.com
Dr. Anupama Kaushik, Associate Professor, MSIT, GGSIP University, INDIA, anupama@msit.in]

EDITORIAL BOARD: (Optional)

[Name, University or Organization, Country, e-mail]

SESSION DESCRIPTION:

Generative AI, with its multifaceted dimensions, represents a paradigm shift in artificial intelligence research and application. At its core, generative AI encompasses a diverse range of techniques aimed at creating new data instances, be it images, text, or even entire pieces of music, art, or video. This technology's significance lies not only in its ability to mimic human creativity but also in its potential to revolutionize various industries. From aiding in content creation and design to facilitating drug discovery and molecular design, generative AI opens up avenues previously unimaginable. However, its complexity and ethical considerations, such as biases in generated content and the potential for misuse, underscore the need for cautious and responsible development. As researchers continue to explore its capabilities and limitations, the multifaceted dimensions of generative AI promise to shape the future of technology and society in profound ways.

RECOMMENDED TOPICS:

Topics to be discussed in this special session include (but are not limited to) the following:

- [Please insert a minimum of 6 topics]

SUBMISSION PROCEDURE:

Researchers and practitioners are invited to submit papers for this special theme session on **Multifaceted Dimensions of Generative Artificial Intelligence in Transforming today's World on or before 30th November 2024**. All submissions must be original and may not be under review by another publication. INTERESTED AUTHORS SHOULD CONSULT THE CONFERENCE'S GUIDELINES FOR MANUSCRIPT SUBMISSIONS at https://icicc-conf.com/paper_submission. All submitted papers will be reviewed on a double-blind, peer review basis.

NOTE: While submitting paper in this special session, please specify [**Session Name: Multifaceted Dimensions of Generative Artificial Intelligence in Transforming today's World**] at the top (above paper title) of the first page of your paper.
