ICICC-2023
6th International Conference on Innovative Computing and Communication

Organized by Shaheed Sukhdev College of Business Studies, New Delhi, India
On 17-18th FEBRUARY 2023.

************* CALL FOR PAPERS ***************

SPECIAL SESSION ON

AI & ML based Image processing applications

SESSION ORGANIZERS:

Dr. Ritu Gupta, Bhagwan Parshuram Institute of Technology, GGSIPU, India,
ritugupta@bpitindia.com

Dr. Abhilasha Singh, SRM Institute of Science and Technology, Delhi-NCR Campus, India,
abhilass1@srmist.edu.in

SESSION DESCRIPTION:

This Special session presents a forum for the publication of articles describing the use of classical and modern artificial intelligence and machine learning methods in image processing applications.

The main aim of this Special session is to capture recent contributions of high-quality papers focusing on advanced image processing and analysis applications, including medical images, remote sensing images, galaxy images, and others. We are pleased to invite our colleagues to contribute original research papers as well as review papers that focus on the applications of artificial intelligence methods, including traditional machine learning methods, advanced deep learning approaches, metaheuristic optimization algorithms, and other AI-based methods for solving image processing problems.

RECOMMENDED TOPICS:
Topics to be discussed in this special session include (but are not limited to) the following:

- Image Processing
- Human Computer Interaction
- Health Informatics
- Computer Vision
- Biomedical Engineering
- Pattern Recognition

- Remote Sensing & GIS
- Computational Imaging

SUBMISSION PROCEDURE:

Researchers and practitioners are invited to submit papers for this special theme session on **AI & ML based Image processing applications** *on or before* **[30ᵗʰ November 2022]**. All submissions must be original and may not be under review by another publication. INTERESTED AUTHORS SHOULD CONSULT THE CONFERENCE'S GUIDELINES FOR MANUSCRIPT SUBMISSIONS at http://icicc-conf.com/paper_submission.html. All submitted papers will be reviewed on a double-blind, peer review basis.

NOTE: While submitting paper in this special session, please specify [**Session Name**] at the top (above paper title) of the first page of your paper.
